

SERVICE PLAN GUIDE

plan ahead and keep your vehicle on the road for longer

The Renault Service Plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first. To ensure your plan stays intact, service your vehicle as per the Renault specifications.

what is a Renault Service Plan?

This plan provides for the Renault specified services and parts that your vehicle needs.

All services must be performed by a Renault approved repair facility, at the prescribed mileage intervals or annually - whichever happens first.

The Renault Service Plan offers you convenient payment options so that you spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

The Renault Service Plan is not a Maintenance Plan or Warranty. A Maintenance Plan provides for your vehicle's services and specific wear-and-tear items like brake pads, shock absorbers and wiper blades. A warranty provides for unexpected mechanical breakdowns and electrical failures.
